All parents/guardians are required to attend just one...

It is important that all parents/guardians are well-informed regarding Bus Safety, Pedestrian Safety, and Volunteer Orientation. We offer a variety of times for you to attend so it is as convenient as possible for you.

You may choose ONE from the following brief 30 minute training sessions:

8:30am, 9:45am, or 10:45am on September 6th, 7th & 8th

OR

5:00pm or 6:00pm on September 13th

Room 8 at the Lincoln Center

IMPORTANT! This is a **REQUIRED** training for **ALL** parents, even if your child will not be riding the bus to school. Children still ride the busses for field trips, so it is important for every parent to have this information.

ALL parents are also required to attend the Volunteer Orientation portion of the training.
